About the University of Bolton, Academic Centre

The University of Bolton - Academic Centre, RAK began operations in 2008 and since then has seen over 500 students graduate. All the programmes delivered at the Academic Centre in RAK are directly equivalent to those offered in Bolton; they are assessed by the same examination boards and moderated by the same external examiners. All degree certificates are issued directly by the University of Bolton, UK and these are identical to those offered to students at the parent Campus with the transcript mentioning the UAE as place of study.

Our strong industry links allow us to provide a large number of professionally accredited courses through partnerships that include several chartered organisations and professional bodies. We remain committed to ensuring that the quality of academic programmes offered at the Academic Centre - Ras Al Khaimah is benchmarked to the highest standards in international education.

Undergraduate Programmes (3 Years)

Earn the same Accredited Degree as is offered at the University of Bolton's UK Campus

Visa Processing

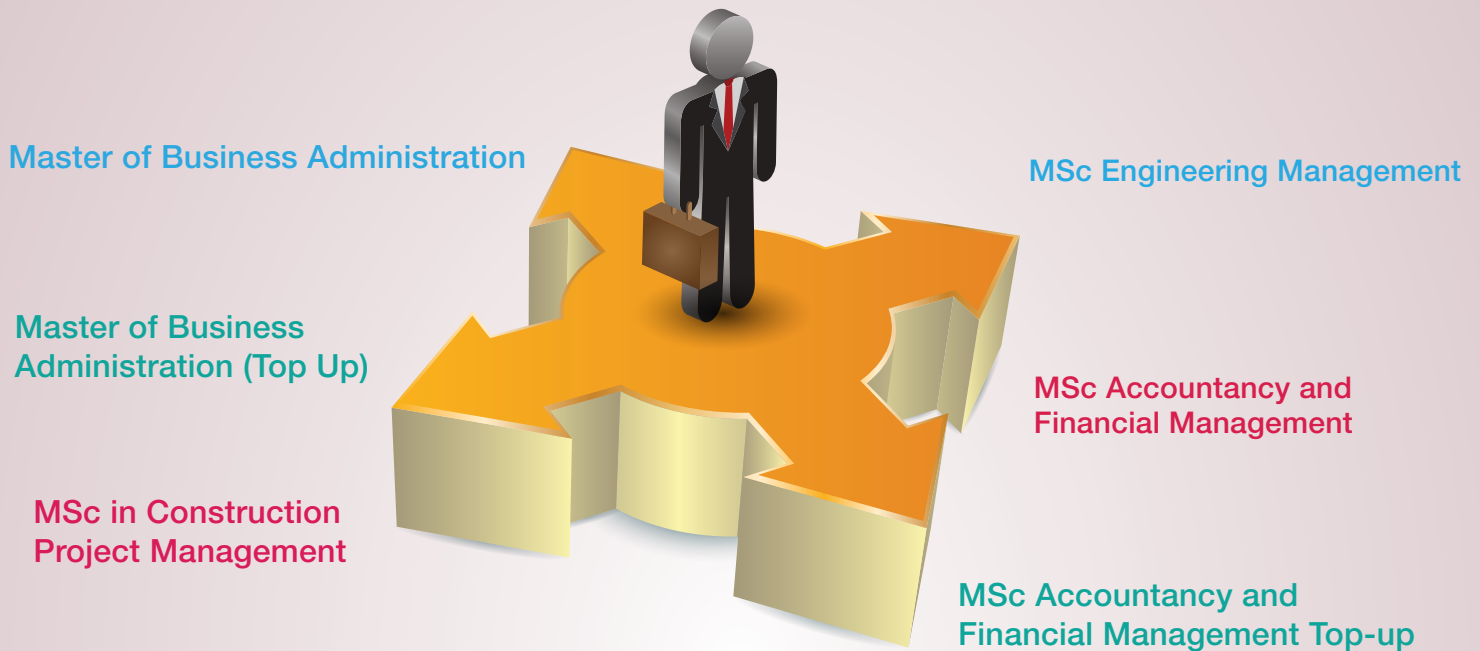

All the students studying at the University Academic Centre are sponsored by the Centre and the visa processing is very reliable with quick turnaround times.

Academic Merit Scholarships

Please note that academic merit scholarships are limited and we would tend to reward only the top academic achievers.

Postgraduate Programmes (Part-time for Working Professionals)

Affordable Tuition Fee

The University of Bolton - Academic Centre offers programmes at subsidised tuition fee levels which is a fraction of the tuition fee charged at the main Campus in the United Kingdom to give both local and international students an opportunity to gain best value British educational qualifications in the UAE.

The University of Bolton - Academic Centre in RAK

offers accredited British Honours degrees from University of Bolton, UK. These are the same degrees offered to students studying in the main Campus UK with the transcripts mentioning the place of study as RAK.

Campus Facilities

The 42,000 sq.ft facility houses classrooms, auditorium, lecture halls, office space, a library and engineering and computing laboratories. In addition students also have access to indoor sports such as snooker/pool, table tennis and outdoor sports facilities such as basketball, cricket and football.

Transfer Options to UK Campus / Study Trips

All the students studying at the Academic Centre have the opportunity to transfer to the main Campus in the UK. The students can also visit the parent Campus on a study tour which happens on regular basis.

Free Transportation

We provide free transport for the first year for students traveling to the University of Bolton, Academic Centre in RAK from Dubai, Sharjah, Ajman or Fujairah.

Student Accommodation

There are separate state of the art hostel facilities for girls and boys with 24/7 security on campus.
